

Anti-Bribery Questionnaire

'Bribery' is defined as:

'Giving someone a financial or another advantage to encourage that person to perform their functions or activities improperly or to reward that person for having already done so. So this could cover seeking to influence a decision-maker by giving some kind of extra benefit to that decision maker rather than by what can be legitimately be offered as part of a tender process.'

In order to prevent any unwitting engagement in behaviour which might raise the suspicion of bribery each application for a Grant of Donation must be accompanied by a completed anti-bribery assessment form.

Please read and act in accordance with the Anti-bribery Act.
