

Lipid Management Service Request & Booking Form

Guidance: All fields require complete population in order for any application to be valid. For queries regarding data processing and storage, please visit the Daiichi Sankyo UK Ltd website. For any difficulties in populating this document, please email grantsanddonations@daiichisankyo.co.uk

Please ensure you also submit a fully completed anti-bribery questionnaire (see appendix) with your application, as all donations' applications must be accompanied by this questionnaire.

The objective of the lipid management services is to enhance patient outcomes in areas of highest clinical need. These initiatives aim to assist primary care practices in identifying patients whose lipid management could be optimised.

Lipid Quality Dashboard

GP practices with a significant disease burden and a corresponding high level of need are eligible to apply for this donation-based service.

Upon submission of an application, DSUK undertake an assessment of your request and respond to you in a timely manner. If your application is successful, we aim to have these services commenced <u>within 6 weeks</u> from submission of application.

During this period DSUK and providers will engage to ensure timely completion of:

- Confirming approval for a lipid management service donation for eligible practices & assigning a provider
- Communication of the service offer & sharing practice level contact details with the provider
- Supporting practice level data processing assurances and access to onboard the service

If your organisation would like to request a donation from DSUK, please ensure the form below is fully completed.

Lipid Management Service Request:

This is a booking request form for the Lipid Quality Dashboard and by returning this completed form you are requesting consideration for this service.

Please note: This form is for donation requests only.

Lipid Management request form Job Code: UK/DON/11/24/0006

Appendix: Anti-bribery questionnaire

'Bribery' is defined as:

'Giving someone a financial or another advantage to encourage that person to perform their functions or activities improperly or to reward that person for having already done so. This could cover seeking to influence a decision-maker by giving some kind of extra benefit to that decision maker rather than by what can legitimately be offered as part of a tender process.'

In order to prevent any unwitting engagement in behaviour which might raise the suspicion of bribery each application for a Grant or Donation must be accompanied by a completed anti-bribery assessment form.

Please read and act in accordance with the Anti-bribery Act.

Please complete the following questions. Daiichi Sankyo will not be able to review your application for a Grant unless these are completed.

1.Are you aware o	f the Bribery Act of 2010?	☐ Yes	□ No		
2. Have you or your organisation previously received a grant or donation from Daiichi Sankyo – if so when was it received and what were the nature and purpose of the Grant & donation?					
3.Has anyone employed by Daiichi Sankyo, including third parties retained by Daiichi Sankyo, offered any payments or gifts to you or your organisation that were dependent on a benefit in kind being given to Daiichi Sankyo?					
□ Yes	□ No				
4. Have you or your organisation ever violated any anti-bribery laws? If so, please provide details.
